

SPORT PREMIUM ACCOUNTABILITY AND IMPACT REVIEW APRIL 2015

The school has so far received **£5,507** of our **£9440** Sport premium grant.

COURSES/SUPPLY COVER £1,000

To support staff with the delivery of the New P.E. curriculum, the following courses have been funded:

course	focus	staff
Real P.E.	Multi abilities learning	Mrs Mileham
TOPS challenge	Outdoor education	Mrs Marshall/ Mrs Page
First funs	Fundamental movement skills	Mrs Smith/Mrs Middleton
TOPS games	Attacking/defending skills	whole school staff
Advisory visit	EYFS PE provision	all EYFS staff

Pupils have benefited from staff improving their subject knowledge and confidence and this can be seen through pupils' achievements in P.E. Monitoring of PE lessons during terms 5 and 6 should reflect this.

PE LEADER RELEASE TIME £2000

The release of the PE Leader to manage the sport premium offer has continued to provide pupils with PE and school sport experiences that are **additional** to their 2 hour PE offer in curriculum time.

ADDITIONAL ACTIVITIES

Extra intra school competitions delivered in conjunction with the school sports organising crew

Off- site enrichment visits

District festivals and Kent School Games qualifying events

SCHOOL SPORT PARTICIPATION RATES

The PE leader has also increased pupils' participation rates in 'passport' events significantly. Currently, 52% of all KS2 pupils have had an opportunity to represent the school at sport. The introduction of a 'role of honour' has encouraged more pupils to put themselves forward for school teams and after school clubs.

IN-SCHOOL STAFF SUPPORT

The PE leader has also been able to deliver CPD to new staff members as well as provide support with curriculum planning and team teaching.

The staff have continued to benefit from the PE leader providing guidance with the New Curriculum as well as additional support with planning and delivery.

The combination of additional PE, upskilling staff and increasing participation rates will enable the school to apply for the Youth Sport Trust GOLD award and the School Games Gold mark for outstanding PE and school sport this year.

OFSTED was satisfied that the sport premium was being used effectively to ensure sustainability through the upskilling of staff and to provide additional opportunities for pupils within and beyond the curriculum.

SUPER PASSPORT £1000

Super passport is the umbrella organisation that works in conjunction with our SGO to provide staff with access to CPD courses (as outlined above) and pupils with access to a whole range of sporting opportunities. Further details can be found via the 'super passport' tab on the school website.

RESOURCES AND EQUIPMENT £500

The Sport Premium is issued by the Government to complement the School PE budget rather than replace it, so the school has so far only purchased infant agility equipment to support the delivery of athletic skills in Key stage 1.

OTHER £95.00

The sport premium has been used to support our gifted and talented pupils in the following ways

Entry fees to County and National events
Transport to and from County and National events

Expert coaching

Clothing for competition

COACHING AND SUPPORT

Rugby coaching to support the delivery of as our school sport of the year

Athletics coaching to support the Kent School Games teams

Both the rugby and athletics coaching have proved extremely popular and successful both in school and as a vehicle for providing pathways to participation beyond the school day. Pupils have joined both Thanet wanderers rugby Club and Thanet Athletics Club as a direct result of the school's policy for only using coaches from NGB clubs.

The Sport Premium continues to enable the school to raise the profile of PE and School sport amongst pupils and parents and will continue to do so for the duration of the sports premium funding. Termly sports assemblies are now a feature in key stage 1 as well as key stage 2, and are a popular way for staff, pupils and parents to celebrate the achievements of all.
